

SALES PARTNER ONBOARDING ACKNOWLEDGMENT

Independent Sales Partner Program

Sales Partner Name / Business Name: _____

Date: _____

I acknowledge that I received the Mercury Call Desk Sales Partner Launch Kit and reviewed the approved operating materials. I understand that I am responsible for following the approved sales, CRM, client-service, confidentiality, data-security, communication, DNC, and compliance requirements.

I understand and acknowledge that:

- I am entering the program as an Independent Sales Partner and control my own schedule, work location, prospecting approach, and non-competing business activity, subject to the signed agreements and MCD customer/data/compliance rules.
- No active CRM/system access is granted until my profile, official IRS Form W-9, agreements, and CRM training/check-in are complete and MCD countersigns the Sales Partner Agreement.
- I may access only the Company systems, contacts, opportunities, client records, materials, and authority levels assigned or authorized for me.
- I must accurately document lead source, two-way contact, activity, demos, client-service activity, next steps, and account health in the CRM.
- I understand cold-lead protection, self-sourced referrals, OpenPool, Shark Tank, House Accounts, and commission attribution are controlled by the approved CRM rules.
- I will use published pricing unless MCD grants written Advanced authority. I will not discount, waive fees, alter scope, create nonstandard contracts, or bind MCD without explicit approval.
- I will not make guarantees, unauthorized commitments, earnings claims, outcome claims, or unapproved statements on behalf of MCD.
- I will immediately record and honor all opt-out, unsubscribe, "stop," and Do Not Contact requests.
- I will protect MCD and client information, will not export, download, screenshot, or store it outside approved systems, and will report suspected misuse within twenty-four (24) hours.
- I understand that residual eligibility requires the client to remain current and that I remain in good standing and document required client servicing.
- I will escalate any question, custom request, pricing exception, client complaint, security issue, or matter outside my authority to MCD management.
- I understand that the signed Sales Partner Agreement, Confidentiality and Intellectual Property Agreement, approved customer agreements, and official Company policies control if an operational guide differs.
